

Schwing Bioset KSP Level II Seminar Information

Class dates: March 28-30, 2023 | Training is located in Fort Myers, FL | Register by January 27, 2023

Class size is limited. Reserve now.

GET THE MOST OUT OF YOUR EQUIPMENT

The best training in the industry! Learn how to properly use and maintain your equipment with our classroom and hands-on training. Classroom instruction will be held at the Schwing Bioset Fort Myers location with working models and cut-aways of components. Attendees can work directly with equipment and component assemblies, offering a full understanding of equipment function, use, and safety.

EARLY BIRD DISCOUNT

Register by December 2 and get the seminar package for only **\$1,250!**

Included with Registration:

Lunch during training and end of class evening activity.

Transportation:

If staying at the Drury Inn, Schwing Bioset can provide transportation to/from the Training Center and Schwing Bioset evening activities. The Drury Inn does offer airport shuttle service, which is the registrant's responsibility to coordinate with the Drury Inn before the start of class.

Hotel Choices:

Rooms are being held at the Drury Inn & Suites Fort Myers Airport FGCU. Please call 1.800.325.0720 to reserve your hotel room. Receive a discounted rate when you reference the Schwing Bioset room block by February 28.

Accommodation:

Attendees, please note that the training center is located on the second floor of the building. If an individual cannot easily use stairs and/or requires accommodations, please contact Tanya at (715) 247-3433 or tweinzierl@schwingbioset.com at the time of registration or prior to the seminar.

Registrant Responsibility:

Airfare, rental car (if preferred, but not needed if staying at the Drury Inn), lodging, and evening meals.

Pre-requisite:

Registrants must have successfully completed the KSP Level I Seminar or have attended a previous KSP Training provided by Schwing Bioset within the last three years in order to attend Level II. Please contact Tanya for questions.

Video/Photos Prohibited:

Camera and/or video devices are prohibited during class.

Class begins Tuesday, March 28 and runs through Thursday, March 30, 2023. If traveling by air, plan to arrive the Monday prior to class and depart on the Friday after classes.

Training will take place at the Fort Myers Training Center: 12290 Treeline Avenue, Fort Myers, FL 33913
